Sir:

In response to the Notification of Missing Requirements Under 35 U.S.C. § 371 in the United States Designate/Elected Office (DO/EO/US) for the above application, Applicant respectfully submits herewith a copy of the Declaration for the above identified application properly executed by the inventors. Also enclosed please find the executed Assignment.

The Notification also states that additional claim fees are required. This is believed to be an error on the part of the USPTO, perhaps because the USPTO counted the claims in the application rather than in the Preliminary Amendment filed with the application. The Preliminary Amendment has a total of 57 claims, one of which is independent and none of which are multiply dependant. Thus, the total claims fee should be $(57-20) \times \$50.00 = \$1,850.00$.

Applicants have already paid \$2,460.00 in claim fees.

Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.
